

NIOSH NPPTL Introduces New Fact Sheet Series, “PPE CASE Notes”

The National Institute for Occupational Safety and Health (NIOSH) National Personal Protective Technology Laboratory (NPPTL) is introducing a new series of fact sheets Personal Protective Equipment Conformity Assessment Studies and Evaluations (PPE CASE) Notes. These PPE CASE Notes provide “a summary of findings from our post-market personal protective equipment tests, evaluations, and investigations. These fact sheets inform you about common themes or trends we found and provide best practice reminders.”

The first fact sheet is about sizing issues with self-contained breathing apparatus facepieces within fire departments. You can download this fact sheet on the [NIOSH website](https://www.niosh.gov)
