

OSHA COVID-19 Frequently Asked Questions Page

The Occupational Safety and Health Administration (OSHA) recently added a list of Frequently Asked Questions (FAQs) and answers pertaining to the novel coronavirus disease 2019 (COVID-19) pandemic. You can find these FAQs and answers on the OSHA website at: <https://www.osha.gov/SLTC/covid-19/covid-19-faq.html>.

The site groups questions by the following general occupational safety and health categories:

- General Information
- Cleaning and Disinfection
- Construction
- Cloth Face Coverings
- Employer Requirements
- Healthcare
- Personal Protective Equipment
- Restrooms and Handwashing Facilities
- Retaliation
- Return to Work
- Testing for COVID-19
- Training
- Worker Protection Concerns

The site also clarifies, “*This guidance is not a standard or regulation, and it creates no new legal obligations. It contains recommendations as well as descriptions of mandatory safety and health standards. The recommendations are advisory in nature, informational in content, and are intended to assist employers in providing a safe and healthful workplace.*”
