

DoD SMCX 2021–2022 Webinar & Workshop Schedule

Did You Say FREE?!

Did you know the SMCX offers free webinars and workshops? Our webinars and workshops are one hour long and cover various safety and health topics to help you implement and sustain your safety management system! We use your feedback from previous webinars and workshops, as well as our annual survey, to select and ensure relevant topics!

WEBINAR & WORKSHOP HIGHLIGHTS

Free ▪ Interactive ▪ Subject-Matter-Expert Stories ▪ Live Q&A Session

Best Practice Sharing ▪ Use of Real-Life Examples ▪ Enhanced Collaboration & Instruction

Hands-On Activities and Exercises ▪ On-Demand Document Downloads ▪ Recordings

Participate in our **live** webinars, held the third Thursday of each scheduled month beginning at 1:00 PM ET, and our **live** workshops, held the fourth Tuesday of select months beginning at 1:00 PM ET.

Sign up for [webinars](#) and [workshops](#) on the SMCX website. Upon registration, you will receive an email confirmation along with the presentation link. Just register and login to the SMCX website to sign up!

Catch the Action LIVE!

Workshops are less presentation like than webinars and incorporate more participant activity and interaction. For our workshops, bring your pencils, a notebook, and your questions to our interactive and educational events. Watch your email for any worksheets or documents you may need to download/print ahead of time to participate.

We use Adobe Connect™ as the platform to make our webinars and workshops interactive. Adobe Connect works with government firewalls, so you should not have any problems attending the presentation. And, there is no need to call in with Adobe Connect since you can hear the presentation through your speakers! We hope to see you there!

Check out recordings from our past webinars and workshops on the SMCX website.
