OSHA's Coming – Ultimate Planning Tips for a Successful VPP Assessment

Thursday, March 19, 2020, 1:00 p.m. EDT

On 3/19/2020 at 1:00 p.m. EDT, the SMCX will host the "OSHA's Coming – Ultimate Planning Tips for a Successful VPP Assessment" webinar.

This webinar focuses on coordinating on-site assessment details with OSHA and site personnel prior to an OSHA VPP assessment. This webinar also discusses what site personnel would be beneficial in the preparation process, pulling together supporting documentation, constructing an in-brief presentation for OSHA, and choosing working lunch topics. In addition, the webinar provides information on the final checks and balances before the assessment occurs

This presentation is beneficial to personnel wanting to learn more about preparing for an OSHA VPP

assessment. Attendees should have an intermediate understanding of the on-site assessment process prior to this webinar. Personnel gaining the most benefit from this presentation may include: • Safety managers • Safety staff • VPP/Safety committee members • Managers and supervisors directly involved in participating in the assessment • Employees who are directly participating in the onsite visit.
